working with you

WHO WE ARE

Our 20 years of combined staffing excellence and precise recruiting within Information Technology allow us the ability to offer IT Staffing Services, Flexible Consulting Solutions and overall industry leading Talent Management. Our office is focused in the Northeast Ohio, Akron/Canton and Columbus marketplaces with the ability to service clients across the US. HireTech prides itself on acting as a complete solutions provider for our clients within all areas Information Technology staff augmentation including full time/permanent staffing, consulting/project staffing and contract to hire solutions.

HireTech offers an honest and hard-working approach to solve your IT staffing needs. The combination of our hands on experience in the industry along with true understanding of enterprise information technology helps us find the best people and assist our client in reaching their goals faster and more cost effective. We strive to listen to our candidates career goals and long term expectations. We are skilled in knowing where the best professionals are in the city, what makes an awesome work place and who is hiring and what they are hiring. We feel this combination between servicing our client and candidate allows us to offer excellent advice to build winning teams, attract top notch talent and grow your business long term!

WHY HIRETECH?

Our clients mean everything to us. We are here to listen and provide our corporate partners with industry leading services and top notch technical talent!

EXPERIENCED AND PROFESSIONAL

Actual IT knowledge and experience offering staffing solutions that will eliminate wasted time searching and interviewing candidates that don't fit the client's needs. We actually screen our candidates not just submit anyone looking for a job! Personal network and qualified database of over 10,000 top-notch local IT candidates. Our combined 20 years of experience and hands on relationships within our database help us move fast and eliminate the "pretenders". Client focused-HireTech is fair and flexible. We enjoy learning about your company, your staff and finding out how to best service your organization.
